**FOR IMMEDIATE RELEASE**

### **Tec-Masters, Inc. Achieves CMMI Level 3**

**Huntsville, Alabama: June 8, 2010** – Tec-Masters, Inc. is pleased to announce the achievement of Maturity Level 3 of the Capability Maturity Model Integration®, the latest in its ongoing process improvement initiative.

CMMI Level 3 achievement marks the culmination of several years work involving most of the Tec-Masters staff both in Huntsville, Alabama and Lawton, Oklahoma. Tec-Masters has been ISO-9001 registered since 2000 and has successfully combined many of its ISO and CMMI processes to enhance their effectiveness. Additionally, more than thirty (30) Tec-Masters personnel have been trained as Six Sigma Specialists by Raytheon, a major prime contractor, thus adding a capability in Six Sigma processes as well.

Tec-Masters now joins a very small group of companies its size to have strong capabilities in three of the most accepted process improvement programs. This unique skill set enables Tec-Masters to offer higher quality products and faster responses to accommodate changing customer needs. These integrated capabilities make Tec-Masters a partner of choice when teaming with others, especially with large prime contractors.

Another dimension of strength is added to Tec-Masters' value to DoD programs such as Mentor/Protégé initiatives, offering superior processes to protégés at much lower costs than otherwise experienced. Tec-Masters protégés benefit from our knowledge and resources for higher levels of competence in the marketplace.

Tec-Masters has successfully worked in the Defense Industry for over 20 years. Headquartered in Huntsville, Alabama, Tec-Masters provides innovative technical solutions for Defense, Federal and Commercial customers worldwide. We specialize in Mission Support, System Integration, Maintenance, Training, Digital Media Productions, Logistics, Information Technology, Software Development and Customized Engineering & Manufacturing.

Awarded as a Best Place to Work for two consecutive years, Tec-Masters is proud of its diverse heritage and remains one of Huntsville's most successful small businesses.
